

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. ¹ Lord Gough served at the capture of the Cape of Good Hope, and the Dutch Fleet in Saldanha Bay, 1795. Served afterwards in the West Indies, including the attack on Porto Rico, the brigand war in St. Lucia, and capture of Surinam. Proceeded to the Peninsula in 1800, and commanded the 87th at the battles of Talavera, Barrosa, Vittoria, and Nivelle, for which engagements he has received a Gold Cross. He also commanded the Regiment at the defence of Cadix and of Tarifa (slightly wounded in the head). At the battle of Talavera his horse was shot under him, and he himself was afterwards severely wounded in the side by a shell,—for his conduct in this action the Duke of Wellington subsequently recommended that the *Lieut. Colonelcy* should be ante-dated to the date of his Dispatch, thus making him the first officer who ever received *Brevet* rank for services performed in the field at the head of a regiment. At Barrosa his Regiment captured the Eagle of the 8th French Regiment; and at Vittoria they captured the Baton of Marshal Jourdan. At the Nivelle he was again severely wounded. Commanded the Land Force at Canton—for which he was made a GCB.—and during nearly the whole of the operations in China,—for which service he was created a Baronet. On the 29th Dec. 1843, with the right wing of the army of Gwalior, he defeated a Mahratta force at Maharajpore, and captured 56 guns, &c. In 1845 and 46 the Army under his Lordship's personal command defeated the Sikh Army at Moodkee, Ferozshah, and Sohraon, for which and previous services he was raised to the Peerage; and, in 1849, he was created a Viscount after his crowning victory over the Sikhs at Goojerat (Medal and Clasp). His Lordship is also a Knight of Charles the 3rd of Spain.

² *Lieut. Stewart Grossett Muirhead* served, as a *Lieutenant* in the 7th Hussars, in the Indian Campaign from Feb. 1858 to March 1859 and was present at the repulse of the enemy's attack on the Alumbagh, siege and capture of Lucknow, affair of Barua, action of Meerabunge, occupation of Fyzabad, passage of the Goomtee at Sultempore, affair of Shahpore, throughout the Bywarra campaign, including the affairs of Kandoo Nuddee and Paleeghat, taking the forts of Rehora and Keowlie, and pursuit of Benki Madho's force to the Goomtee; also the Trans-Gogra campaign, including the affair near Churda and pursuit, taking the fort of Meerjedia, attack on Bankee with pursuit to the Raptee, advance into Nepal and affair at Saughat (Medal with Clasp).
